Please indicate why you think the nominee deserves this award. Please refer to the Award Criteria listed on each award description (attached). In addition to this form, please feel free to attach up to two pages of supporting material describing why the nominee is qualified for the award. Additional materials may include letters of support, program brochures, flyers, press clippings, etc. Please provide specific examples whenever possible. Nominations will not be considered without supporting documentation (i.e., at a minimum, this nomination form must be completed with one statement as to why the nominee is qualified).
